Jeff Kagan has been entertaining and educating children and parents with his original, environmental music for nearly a decade. Kagan now makes his home and his music in Boulder, CO. Kagan's music has been described as "a cross between: (1) John Denver – Almost Heaven, Rocky Mountain High, nature loving, feel-good, joyful music, (2) Dan Zanes

– totally hip, fun, down-home, family music, hangin' out and singin' with the peeps, and (3) The Wiggles – silly, creative, super engaging for kids, wildly popular, and, well, wiggly!” – Cate Boulder, CO mother of two
