Keystone Audiovisual Services offer a full range of equipment and technical expertise. This price list represents only a partial list of the extensive inventory and services available. Please contact your conference services manager with additional requirements, to obtain a quote or to reserve equipment.

NOTE: Equipment not owned by Keystone will be subject to a \$150.00+++ fee per room per day which includes use of existing equipment in room (ie. house sound, existing screen) and existing 15/20 amp outlet.

All equipment is subject to a 20% service charge and applicable taxes that covers most set/strike labor charges. Any equipment or technician canceled within 24 hours of a function's start time will be billed at full price. All prices are per room per day. Equipment delivery charges will apply for all on-mountain and in-room condominium functions. Prices are valid as of January 1, 2014, and are subject to change without notice.

WIRELESS SERVICE

Wireless service provided by Wandering WIFI is currently offered in all meeting rooms located at Keystone Lodge & Spa, The Inn at Keystone and Keystone Conference Center. All access points are configured to 802.11B.

THE PRICE FOR THIS CONNECTION IS \$9.95 PER DAY.

Hard lines are available in most areas where Wi-Fi is located. Any computer hooked up to a hard line still requires the daily charge plus the Internet line charge.

THE PRICE FOR A CAT 5 INTERNET LINE IS \$29.95 PER DAY.

All access points and Cat 5 Internet lines (hard lines) are connected to the Internet via 10 megabits per second connection.

Dial-up service available upon request.
