TRAIL INFORMATION

Dercum Summit Hiking Trail is 2.3 miles long and ascends 180 ft. To reach the trail, follow signs near the KeyTop Overlook Deck at the top of River Run Condola and traverse above the Mozart Ski trail. Please stay on designated trail and do not cut switchbacks. Non-service dogs are not allowed on lifts and must be on leash while at the resort.

FIRE DANGER

Smoking of any kind is prohibited on lifts and is only allowed in designated smoking areas. Report fires immediately via cell or on-mountain emergency phones.

AERIAL DRONES

Recreational drone use by any guest or member of the public, for any reason, is not permitted on or over any Vail Resorts' property.

LIGHTNING AND THUNDERSTORMS

Afternoon Thunderstorms are common in the mountains. Take proper precautions when you see or hear a storm developing: Seek shelter, keep off ridgelines, and stay clear of chairlift houses, lift towers, power lines, open spaces, lone trees, signposts. Lifts may close due to weather causing delays.

HIGH-ALTITUDE ENVIRONMENT

You may tire more easily above 9,000'. Take it easy at first by planning short periods of aerobic activity until you are acclimated and drink plenty of water. Some visitors may experience symptoms associated with Keystone's high altitude. Symptoms may include headaches, nausea, dizziness, loss of appetite, restless sleep, coughing, and difficulty breathing. If symptoms persist or if you have a concern about your health, seek medical attention.

WEATHER AND TERRAIN

YOU ASSUME THE RISK of unpredictable weather, as well as rugged, uneven, irregular, and slippery conditions.

ADEQUATE CLOTHING

Mountain weather changes quickly and there is usually at least a 10 degree difference between the base and mountain summit. We recommend dressing in layers, bringing a raincoat, and consider a sweater, fleece or light down outer layer.

WILDLIFE

Do not litter nor feed wildlife. Guest rarely encounter bears or moose, but if you do, please remain calm and back away slowly. Keystone asks that everyone is cautious and respectful of wildlife.

CONSTRUCTION WARNING

You may encounter construction equipment, maintenance vehicles, or other heavy machinery at any time. Always be cautious and obey posted signs and warnings.
