WIRELESS SERVICE

Wireless service provided by Wandering WIFI is currently offered in all meeting rooms located at Keystone Lodge & Spa, The Inn at Keystone and Keystone Conference Center. All access points are configured to 802.11b/g/n. Standard connection speed of 2Mb/s is quoted below, additional bandwidth connections are available for a fee. Please contact your AV or Conference Services representative for pricing.

THE PRICE FOR THE STANDARD 2MB/S UP DOWN CONNECTION IS \$9.95/PER DAY PER DEVICE

Hard lines are available in most areas where Wi-Fi is located. Any computer hooked up to a hard line still requires the daily charge plus the Internet line charge.

THE PRICE FOR THE STANDARD 2MB/S CONNECTION IS \$29.95 PER DAY.

All access points and Cat 5 Internet lines (hard lines) are connected to the Internet via 10 megabits per second connection.

Dial-up service available upon request.

Keystone Audiovisual Services offer a full range of equipment and technical expertise. This price list represents only a partial list of the extensive inventory and services available. Please contact your conference services manager with additional requirements, to obtain a quote or to reserve equipment.

NOTE: Equipment not owned by Keystone will be subject to a \$150.00+++ fee per room per day which includes use of existing equipment in room (ie. house sound, existing screen) and existing 15/20 amp outlet.

All equipment is subject to a 20% service charge and applicable taxes that covers most set/strike labor charges. Any equipment or technician canceled within 24 hours of a function's start time will be billed at full price. All prices are per room per day. Equipment delivery charges will apply for all on-mountain and in-room condominium functions.

Prices are valid as of January 1, 2018, and are subject to change without notice.
