

INDEPENDENCE HOME

ADDRESS

33 Stage Stop Lane

DESCRIPTION

This beautifully designed home has so much to offer over its three floors. Guests will find a Master Bedroom with fireplace on the main floor, connected to a very spacious private bathroom with luxury tub and a large separate shower. A second master downstairs offers a king bed, gas fireplace, and en suite bathroom. The main floor living room has ample seating and a wonderful open-plan kitchen, perfect for gathering friends and family, with access to a large deck offering spectacular views of the surrounding woodlands. A second living room downstairs presents a more relaxed environment including a gas fire place, pool table and kitchenette. Just outside, guests will enjoy a private hot tub, perfect for a post-ski, hike or golf soak. Guests also have garage parking and ample outdoor parking for additional vehicles. The Independence House is the perfect mountain escape with room for friends and family to gather and enjoy Rocky Mountain recreation and memories.
