

WEST RIDGE HOME

ADDRESS

661 Penstemon Road

DESCRIPTION

This beautiful five-bedroom home has three floors of living space perfect for relaxing and making new memories with friends and family. You'll enter through the heated garage to the lower level, where you will find a queen bedroom, bathroom with shower and large, comfortable living room. Upstairs, you will enjoy a modern well-appointed kitchen, open living room with gas fireplace, and private hot tub access on the back patio, which also features a grill. The master bedroom is located on the main floor and offers a king bed and en suite bathroom. On the third floor, a small lofted sitting area with queen hideaway bed, two bedrooms and a shared bathroom ensuring you have plenty of room for your whole crew. Gather friends and family at this mountain getaway, taking advantage of ample living space, breathtaking views and premier amenities.
